### LAKE ROOSEVELT 2005 BOAT LAUNCH PERMITS AVAILABLE

Coulee Dam, WA – A launch permit is required for the launching of any vessel at all designated National Park Service-managed launch ramps on Lake Roosevelt, regardless of the type of vessel. Boaters may pay a fee of \$6, which allows unlimited launches for 1-7 days from the date of purchase (available at each boat launch), or purchase a seasonal permit, which allows unlimited launches during the 2005 calendar year.

2005 launch permits will be available for \$30 beginning December 2004, through April 30, 2005. Each permit is \$40 if purchased from May 1-September 30, 2005, and \$20 if purchased from October 1-December 31, 2005. For Golden Age or Golden Access cardholders, fees are discounted 50%. **When purchasing a seasonal boat launch permit, the 50% discount will be given once in a calendar year for one permit only. If multiple permits are purchased at one time, only one will be discounted.**
